Please use this form to confirm your child's enrolment and participation in the Student Support Program. Kindly confirm the level of support desired for your child and arrange for payment by cheque or in consultation with our Financial Office. (705)732-4351 ext. 16

Level 1: Learning Strategies Course: Cost \$1250 per year

Features: For credit course (GLE10 Gr.9 or GLE20 Gr.10), small class size with opportunities for 1:1 support offered daily - Students enrolled at this level have identified learning needs and have an Individual Education Plan (IEP) or are in the process of being identified.

Level 2: Managed Learning: Cost \$950 per Semester or \$1850 per year

Features: Two scheduled weekly sessions of 1:1/small group support - Students enrolled at this level have identified learning needs and have an Individual Education Plan (IEP). For students not taking the course but who need consistent extra support.

Level 3: Learning Tutorial: Cost \$550 Per Semester or \$ 1050 per year

Features: One scheduled weekly session of 1:1/small group support - Students enrolled at this level need not have an identified LD but, may not be achieving a desired level of success for a number of reasons.

* Additional resources may be required - Students with an IEP *and* the recommendation to use educational technology such as Kurzweil, Inspiration, and/or Dragon Naturally Speaking (voice recognition), are recommended to bring their own personal laptop to school with the software already installed. This is not a mandatory requirement and support will be provided on site with access to school computers available for test purposes and for in-class work.
