ENROLLMENT CONTRACT 2010-2011

Date: _____ Student Name: _____

Parent/Legal Guardian: _____

Address: _____

City, Prov., Country, Postal Code: _____

In consideration of Rosseau Lake College ("RLC") accepting the Student for enrollment for the school year, January 2010 through June 2010, I confirm, represent, warrant, acknowledge and promise as follows:

Full Disclosure

I confirm, represent and warrant that I have disclosed **all** particulars that may impair or otherwise affect the Student's academic, social or athletic activity at RLC. I have carefully considered all relevant issues in this connection and have reviewed such personal records as may be necessary to be satisfied that the disclosure is full and fair in all material respects.

Tuition Refund

At the beginning of the school year, Rosseau Lake College makes a year-long commitment for physical facilities, equipment, supplies and personnel based upon the number of students enrolled in RLC; there is virtually no reduction in the financial burden of that commitment if a student leaves before the end of the school year, whether voluntarily or because of dismissal. Therefore, if a student withdraws or is dismissed from the School before the end of the school year, **no refunds are available**. Given that Rosseau Lake College is a small school, it is not financially viable to insure tuition payment.

I understand that no refund or exceptions will be made to this policy.

Policy on Drugs and Alcohol at Rosseau Lake College

Rosseau Lake College is committed to providing a safe and secure environment for all students; as such, we take an active interest in the overall well being of your child. RLC reaffirms its position towards the use of drugs and alcohol, and reminds all families that we have a "zero tolerance" policy for the use and possession of drugs and alcohol while students are in the care of the school. We would like to reiterate that these offences are unacceptable and will result in dismissal from Rosseau Lake College without financial reimbursement. The school will counsel and offer education for our students to ensure that everyone is aware at the beginning of the school year regarding the school's policies and position on tobacco use, alcohol and drugs. Our goal is not to discipline students but to encourage an honour code of support to assist all students in making wise, healthy life choices. Complete details available in the Parent-Student Handbook.

Fees and Financial Arrangements

I acknowledge and confirm that I have read, been given all necessary explanations and fully understand the "Fees and Financial Arrangements 2010-2011".

Promise to Pay

For the consideration noted above, I promise to pay Rosseau Lake College, tuition, boarding (if applicable), annual fees and personal accounts, all in accordance with "Fees and Financial Arrangements 2010-2011".
